Chapter 1 by Will Coloff

There i had done it, hes dead, my knife sticking out of his back. Oh, your wondering what my name it? I can't tell, where's the fun in that? i set to work on cleaning the blood from the ground, i moved the body over to a closet, and shoved it in, i closed the door, i mopped up the blood and freshened up the house, i put a note on the door saying "i have run away with the love of my life, dont look for me" That should buy me some time, i opened up the window and jumped out to get my next target.

Chapter 2 by Fangirl.always123

Of course, you're wondering. How mad is this person? I am mad as mad can get. Killing people, wondering around town without a name and without a sense of knowing who I am really. I am question. No name. No life. No lover. And I defiantly don't think twice.
